Diversity Scholars Program

Diversity Scholars Program

Award

Each year Milbank selects law students who will receive a salaried summer associate position and a \$50,000 scholarship. (\$25,000 is distributed during each student's third year of law school; payment of the additional \$25,000 is contingent upon receipt and acceptance of a Milbank permanent offer, and commencement of full-time employment with Milbank).

“All of the special touches have really made the Firm stand out from the crowd.”
– Nicole Vasquez,
2007 Diversity Scholar

Our summer program is extremely comprehensive and personal. Summer associates rotate through the Firm's practice areas during a ten-week period. The program is managed by the Recruiting Committee, along with a team from each practice group, to ensure that each summer associate receives a broad and challenging experience. Numerous seminars and social events round out the experience of the summer associates.

Eligibility and Criteria

Factors considered in the selection of Milbank Diversity Scholars include academic achievement, demonstrated leadership ability, excellent writing and interpersonal skills, and a sincere interest in our practice.

Students who are members of groups traditionally under-represented in large law firms are encouraged to apply. To be named a Milbank Diversity Scholar, candidates must be in good standing at an ABA accredited law school and have successfully completed their first year of a full-time JD program.

Application

Interested candidates must submit an application form, essay, official law school transcript and resume to Allison Levitt, Manager of Law School Recruiting, by September 1st.
