Kate Colman is a partner in the London office of Milbank LLP and a member of the firm's Financial Restructuring Group.

Primary Focus & Experience

Kate has experience working for a range of stakeholders on all aspects of restructurings and stressed and distressed investments.

Her recent experience includes:

- Advising the ad hoc committees of noteholders in the debt-for-equity swap restructuring of Codere.
- Advising the ad hoc committees of noteholders in relation to the restructuring of Intralot implemented through parallel exchange offers.
- Advising the ad hoc committees of noteholders in the 2020 restructuring of Codere implemented through a scheme of arrangement.
- Advising the ad hoc committees of noteholders of Officine Maccaferri S.p.A. in connection with its restructuring through the Italian concordato preventivo process.
- Advising a private equity firm in the restructuring of a \$700 million loan portfolio to a European shipping business.
- Advising shareholders, debtors, creditor and strategic and special situations investment funds in relation to distressed investments and special situations financings.
- Advising the bond trustee on behalf of the bondholders of African Minerals Limited (in administration) in connection with the administration.
- Advising the Propco companies of the GHG/BMI healthcare group in connection with combined restructuring of the multi-billion pound Propco and Opco capital structures.
- Advising the co-ordinating committee of junior lenders in relation to the restructuring of the General Healthcare Group - a complex securitised private healthcare business in the UK with over £2bn of debt.
- Advising the New Money Lenders to Spanish media and telecommunications conglomerate, Promotora de Informaciones, S.A. (PRISA), on the successful restructuring of its €3.2bn debt.

- Advising a group of US funds on English insolvency law issues arising from the Lehman Brothers Waterfall Applications in the English courts.
- Advising a lender on the restructuring of Stemcor Holdings Ltd, an international steel trading firm.
- Advising a global satellite network company on its out of court restructuring.
