Neeraj Budhwani is a partner of Milbank (Hong Kong) LLP and a member of the firm's Global Corporate Group.

Primary Focus & Experience

With over two decades of experience, Mr. Budhwani focuses his practice on cross-border private equity and M&A transactions, and has extensive experience advising on leveraged buy-outs, acquisitions, disposals and joint ventures as well as public to private transactions and general securities related work. He regularly advises many of the world's leading international private equity firms, alternative investment funds and other financial and strategic investors in connection with their activities throughout the Asian region.

Neeraj's experience includes advising:

- Unispace in connection with its acquisition of Bio Pharma Engineering Limited, a bespoke engineering design house for the pharmaceutical and life sciences sectors, focused on delivering mid-range capital value projects in Ireland.
- Unispace in connection with its acquisition of Downstream, a leading experiential design company providing digital and physical experiences in numerous destination spaces around the world.
- Goldman Sachs on the sale of its shares in Antuit Holdings Pte. Ltd. ("Antuit") a global analytics company that specializes in artificial intelligence demand forecast and omnichannel inventory optimization, to Zebra Technologies Corporation.
- Globe Telecom Inc. in connection with a joint venture partnership with ST Telemedia Global Data Centres and Ayala Corporation for the development, construction and operation of data centre projects in the Philippines.
- The Union Bank of the Philippines in connection with its acquisition of the consumer banking business of Citigroup Inc. in the Philippines through a highly competitive auction process.
- ADV Partners Limited in connection with its leveraged buyout of ISS Environmental Services (HK) Limited, a company engaged in facilities management, sewage

management and mechanical street cleaning in Hong Kong.

- China Investment Corporation (CIC) on the restructuring of a joint venture company that holds properties in Japan.
- Asia Financial Services Company, an entity controlled by CVC Capital Partners Asia Pacific III L.P, in connection with the sale of shares in Sun Hung Kai & Co. Limited to AP Emerald Limited, an indirect wholly-owned subsidiary of Allied Group Limited.
