Roland Estevez is a partner in the New York office of Milbank and a member of the firm's Project, Energy and Infrastructure Finance Group.

Primary Focus & Experience

Mr. Estevez's practice is primarily focused on the representation of financial institutions, multi-nationals and developers across a broad spectrum of sectors, including oil and gas, power (including renewable energy), infrastructure and mining throughout Latin America.

His recent representations include:

- Representing a wide range of international and Latin American clients in major power plant financings across Latin America (most recently in Mexico and Colombia).
- Representation of financial institutions (including export credit agencies) in major drillship, semi-submersible and FPSO transactions in Brazil and Mexico.
- Representation of financial institutions in the financing of Latin American mining projects (including in Chile and the Pueblo Viejo project in the Dominican Republic).
- Representing Citibank, Google and other institutions in various solar energy project investments.
- Representing project sponsors and lenders in major infrastructure projects throughout the Americas (including PR-22 among others).

Recognition & Accomplishments

Mr. Estevez speaks Spanish natively. He received a business degree in Economics from the University of South Florida and a law degree from the Hofstra University School of Law where he was a member of the *Hofstra Law Review*.

He is listed as a leading project finance lawyer in *Chambers Latin America (Projects)*, *Chambers USA (Expert in Projects)* and the *Legal 500*.
