Teresa Chen is special counsel in the New York office of Milbank and a member of the firm's Corporate Finance and Securities Group.

Primary Focus & Experience

Ms. Chen's practice focuses on capital markets transactions and general securities and corporate matters. She has extensive experience representing investment banks, sponsors and issuers in a variety of debt and equity financing and related transactions, including high yield and investment grade debt offerings as well as initial public offerings and follow-on and secondary equity offerings. Ms. Chen's practice also includes advising clients on liability management transactions, including debt tender and exchange offers, and general corporate governance, public reporting and compliance matters. Ms. Chen has represented clients in transactions across a broad range of industries, including energy, mining and metals, healthcare, financial services, technology, hospitality and retail.

Recognition & Accomplishments

Ms. Chen received her J.D. from Columbia Law School, where she was a Harlan Fiske Stone Scholar, and her undergraduate degree, with honors, from the University of Chicago.
