David Dixter is a partner and a member of the firm's European Leveraged Finance and Capital Markets Group.

Primary Focus & Experience

David Dixter advises issuers and underwriters, including major corporates, financial institutions and private equity clients, on equity and debt capital markets and liability management transactions, as well as in securities law and corporate governance matters. He has extensive experience advising on a variety of corporate finance transactions, including initial public offerings, secondary offerings, capital increases and rights offerings, as well as investment grade, emerging markets and sovereign bond offerings. He is a frequent speaker on these topics and has also authored a number of related articles.

Select highlights of his transactions include the representation of:

Equity Capital Markets

- The underwriters in connection with the initial public offering and Athens Stock Exchange listing of Athens International Airport S.A., Greece's biggest IPO in over 15 years.
- The underwriters in connection with ArcelorMittal's US\$2 billion offering of ordinary shares and mandatorily convertible subordinated notes.
- The underwriters in connection with NKT A/S' DKK 1.31 billion rights offering.
- Nordic Paper Holding AB (publ) in connection with its initial public offering and Nasdaq Stockholm listing.
