

# Milbank

Valued by Our Clients  
and Consistently Ranked  
Among the Top Firms

Our leading position among the world's most successful and profitable law firms reflects our skill at delivering on complex, high-stakes work for our clients. It allows us to reinvest in our lawyers and our globally respected practices, giving us the flexibility to grow in innovative areas and drive the industry forward. Most importantly, it empowers a strong and collaborative culture committed to developing our people and giving back to our communities.

## 92 hours annual pro bono work per attorney

While we are one of the few firms to hold each attorney to the high standard of 25 hours minimum per year, our average is much higher.

## 25 Practice Areas Ranked Top Tier in the Chambers USA 2021 Guide

In addition, 49 partners are ranked in their practices.

## Three years of training at Harvard

Each mid-level associate attends our professional development program taught on campus by Harvard Business and Law School faculty.

## 55 Hudson Yards

Our new, state-of-the-art NYC headquarters features amenities and resources customized for our attorneys.

## \$205K starting salary for associates

We raised the Big Law pay scale and increased associates' starting salaries.

## 1992

We were among the first elite firms to establish a Diversity Committee.
