Ben Hewett is a member of the firm's Global Corporate Group and is based in Hong Kong.

Primary Focus & Experience

Ben regularly advises private equity firms, financial sponsors, and corporate investors in connection with private and public M&A transactions.

His experience spans a wide variety of sectors including infrastructure, healthcare, construction, technology and real estate.

Recognition & Accomplishments

Prior to joining Milbank, Ben was a junior associate at a leading international law firm in London, where he gained extensive transaction experience in private equity and strategic M&A, financings, restructuring & special situations, and capital markets.
