Federico Costantino is an associate in the London office of Milbank LLP and a member of the firm's European Leveraged Finance/Capital Markets Group.

Primary Focus & Experience

Federico has experience acting on a broad range of matters, with specific experience in international capital markets and finance transactions. His practice is focused on high yield bonds and equity capital markets transactions, with a particular emphasis on cross-border securities offerings across a broad range of sectors and jurisdictions.

A selection of Federico's experience includes advising:

- Intrum on its SEK 7.5 billion capital raise and €525 million senior secured notes issuance, exchange offer and consent solicitations.
- Aktor on its €650 million share capital increase and €300 million bond offering.
- the initial purchasers in connection with Borr Drilling's \$2.035 billion bond offering.
- the initial purchasers in connection with GG12 S.p.A.'s €880 million bond offering.
- the initial purchasers in connection with Italmatch Chemicals S.p.A.'s €690 million high yield bond offering and refinancing.
- Metlen Energy & Metals S.A. on its €600 million bond offering.
