Anna (Anya) Andreeva-Quirk is an associate in the New York office of Milbank LLP and a member of the firm's Global Project, Energy and Infrastructure Finance Group.

### Primary Focus & Experience

Ms. Andreeva-Quirk's experience includes representing project sponsors and financial institutions in a range of domestic and international project financings across industrial sectors, including renewable and conventional power, oil and gas, infrastructure and mining.

Her recent experience includes representation of:

- a private equity sponsor in connection with the financing of a portfolio of assets, including combined cycle natural gas-fired power plants, with a total capacity of 5GW.
- Blackstone Credit in connection with the financing of its acquisition of 49% ownership interest in Elba Liquefaction Company, a joint venture entity of the Elba Island LNG facility.
- Broad Reach Power in connection with the \$160 million financing for a portfolio of battery storage totaling 390 MWh projects located in the US.
- private placement investors in connection with the private placement of notes issued by ITR Concession Company, the operator of the Indiana Toll Road under a 75-year concession and lease agreement, proceeds of which were used to refinance the issuer's existing capital expenditure facilities.
- lenders in the construction debt financing of the \$9.5 billion New Terminal One at John F. Kennedy Airport in New York (named 2022 "Americas P3 Deal of the Year" by *PFI*).
- private placement investors in connection with Seaspan Corporation's initial private placement and amendment and upsizing of a \$2.5 billion vessel portfolio financing program, at the time the largest reported sustainability-linked USPP.
- lenders in connection with a financing by EnfraGen Energía Sur, S.A.U., Prime Energía SpA, and EnfraGen Spain, S.A.U., subsidiaries of EnfraGen, LLC, a developer, owner, and operator of grid stability and value-added renewable energy infrastructure businesses across Latin American investment-grade countries.

- ArcLight Capital Partners as sponsor in connection with the approximately \$153.9 million acquisition financing of the 570MW Griffith Energy combined-cycle gas-fired power plant located in Kingman, Arizona from Star West Generation.
- lenders, including the Development Finance Corporation, in connection with the financing for the Rumichaca-Pasto 4G Toll Road Project in Colombia.
