Chris Burke is an associate in the London office of Milbank in the Alternative Investments Practice.

Primary Focus & Experience

Chris has broad experience within structured finance, in particular advising on CLOs and bespoke structured lending deals as well as a range of derivative products including total return swaps and loan-linked hedging. He also advises on the related UK/EU regulatory framework, focusing on the EU/UK risk retention regime as it applies to both EU and US securitization transactions. Chris's key clients include major European and US banks, asset managers and credit funds across the structured credit space.
